FAQ

Question: What makes Axion different from other multivitamins?

Answer: Axion is so much more than a multivitamin. This nutrient-dense bilayer tablet incorporates digestive enzymes and probiotics to ensure your gut can absorb essential vitamins, minerals, and phytonutrients.*

Question: I can't swallow the tablets. Can I crush them instead?

Answer: Yes, however, you will lose the benefit of a delayed release.

Question: Where is Axion made?

Answer: Axion is made in the United States in a GMP (Good Manufacturing Practices)-compliant facility.

Directions

Take 2 tablets daily with at least 8 fl oz of water.
