

# Genesis™ Capsules

## FAQ

### **Q: What are the benefits of Genesis Capsules™?**

- A:
- Promotes healthy aging\*
  - Protects your body's cells\*
  - Boosts energy levels\*
  - Supports continued skin elasticity\*

### **Q: How do you recommend using Genesis Capsules?**

A: We recommend taking 1 capsule daily, first thing in the morning.

### **Q: What makes Genesis different from other healthy-aging products?**

A: Genesis Capsules contain ingredients to support skin elasticity and collagen production, while also supporting general health, starting right at the cellular level.\*

### **Q: Should I eat food before taking Genesis?**

A: No, we recommend taking Genesis first thing in the morning. Taking Genesis with food is not necessary.

### **Q: What are the key ingredients in Genesis Capsules?**

A: Genesis Capsules contain X'tranol-24, a healthy-aging super nutrient blend of polyphenols and super-antioxidants, antioxidant-rich grape seed and resveratrol for healthy aging, and other superfoods like pomegranate.\*

### **Q: Are there equal benefits between the Genesis liquid and capsule forms?**

A: Yes. Genesis (liquid) provides the same great benefits with a tasty start to your morning, and the capsules are great for wellness on-the-go.\*

### **Q Where are Genesis Capsules made?**

A: Genesis Capsules are made in the United States in a GMP (Good Manufacturing Practices)-compliant facility.

### **Q: Do Genesis Capsules contain fish or shellfish?**

A: No, Genesis Capsules do not contain any fish or shellfish products.
