Genesis

FAQ

Q: What are the benefits of Genesis?

- A: Promotes healthy aging*
 - Protects your body's cells*
 - Supports continued skin elasticity*

Q: How do you recommend using Genesis?

A: We recommend taking 1-2 fl oz of Genesis daily.

Q: What makes Genesis different from other healthy-aging products?

A: Genesis contains ingredients to support skin elasticity and collagen production, while also supporting general health.*

Q: Should I eat food before taking Genesis?

A: No, we recommend taking Genesis first thing in the morning. Taking Genesis with food is not necessary.

Q: What are the key ingredients in Genesis?

A: Genesis contains X'tranol-24, a healthy-aging super nutrient blend of polyphenols and super-antioxidants, antioxidant-rich grape seed and resveratrol for healthy aging, and other superfoods like pomegranate.*

Q: Are there equal benefits between the Genesis liquid and capsule forms?

A: Yes. Genesis (liquid) provides the same great benefits with a tasty start to your morning, and the capsules are great for wellness on-the-go.*

Q: How does Genesis compare to Xyngular Complete Collagen?

A: Genesis supports skin elasticity and collagen production making it a perfect complement to the powerful benefits of Xyngular Complete Collagen™.

Q: Where is Genesis made?

A: Genesis is made in the United States in a GMP (Good Manufacturing Practices)-compliant facility.
