Benefits and Features

- Reduces cravings to support weight loss*
- Aids in lean muscle development*
- Supports muscle recovery*

Key Ingredients

- Whey protein
- Soy protein
- Bromelain (from pineapple stems)

FAQ

Question: Does Lean contain dairy?

Answer: Yes, Lean contains milk powder. For this reason, do not let Lean shakes sit for more than 30 minutes at room temperature.

Question: What are the differences between Lean Vanilla and Lean Chocolate?

Answer: The cocoa in Lean Chocolate takes up additional space which increases scoop size, calories, and some nutrient levels.

Question: Does Lean contain hormones or steroids?

Answer: No, Lean does not contain any hormones or steroids.

Directions

Add one level scoop to a shaker bottle or blender and mix with 8 fl oz of water.
