

Prebiotic

FAQ

Q: What are the benefits of Xyngular Complete Prebiotic™?

- A:
- Nourishes good gut bacteria*
 - Promotes a healthy metabolism*
 - Helps maintain healthy blood glucose levels*

Q: How do you recommend using Xyngular Complete Prebiotic?

A: Mix 1 stick packet with 8-10 fl oz of water once a day.

Q: Can I mix Xyngular Complete Prebiotic with something other than water?

A: Yes, you can mix Xyngular Complete Prebiotic with any liquid you would like to best fit your lifestyle.

Q: What makes Xyngular Complete Prebiotic different from other prebiotic products?

A: Xyngular Complete Prebiotic is made from real, organic, non-GMO whole foods, ensuring you're getting the highest quality product on the market. On top of its Organic Prebiotic Fiber Blend™, Complete Prebiotic contains a Good Gut Blend™ of polyphenol-rich botanicals for a bloat-free experience. With Complete Prebiotic, you nourish your gut with the right kind of fiber.*

Q: What are the key ingredients in Xyngular Complete Prebiotic?

A: The key ingredients are organic apple fiber, organic green banana fiber, organic PHGG, organic rice fiber, organic acacia fiber, green tea extract, bilberry fruit extract, pomegranate fruit extract, and european blueberry leaf.

Q: What are the two different blends in Xyngular Complete Prebiotic?

A: The Organic Prebiotic Fiber Blend™ contains a diverse blend of organic, plant-derived prebiotic fibers.

The Good Gut Blend™ contains a variety of botanical prebiotic polyphenols rich in anthocyanins.

Q: Can I mix Xyngular Complete Prebiotic with other Xyngular products?

A: Yes, Complete Prebiotic makes a great addition to any Xyngular supplement routine. Combine it with any Xyngular drink mix for a delicious new flavor!
