

3 For 3 Promo – TERMS AND CONDITIONS

- Offer available March 1st, 2024 at 8:00 am PT – May 31, 2024 at 11:59pm PT.
- Offer is valid in all markets.
- Offer is available to any Partner who personally sponsors 3 Partners (or upgrades) with qualifying PV (120 in US and 150 in CAN) in one of the promo months (March, April, May).
- Must have 120 PV in the qualifying month(s) to get the bonus.
- New upgrades to Partner will also count toward this promo.
- Bonus will be paid out by the 15th of the following month for each month during the promotional period. \$200 bonus will be paid to all qualifying accounts by the June 15th, 2024.
- Bonus will be paid out in USD for all markets except Canada, which will be paid in CAD (\$127 CAD per qualifying month and \$254 CAD for the extra bonus).
- Limit one bonus per month for the promotional period.
- Upgrades need to have a 120 PV order at the time of upgrade to count towards the 3 For 3 promo.
- 120 PV (150 PV for CAN) requirements need to be in a single order. Multiple orders to equal the PV threshold will not count as one of the 3 for this promo.
- Must have 3 new Partner enrollments or upgrades all 3 months (March, April, May) to be eligible for the \$200 bonus at the end of the promotional period. If a month is missed, Partner is still eligible for the individual monthly bonus of \$100 but would be ineligible for the \$200 bonus at the end of the promotional period.
- Returns from new Partner enrollments will disqualify that person from counting towards one of your 3 Partner enrollments for a given month.
- Backdates do not count for the previous month during this promotional period.
