

# X Bundle FAQ

Question: What is the X Bundle?

Answer: The X Bundle includes Xyngular top weight loss products in a full month supply for serious results.

Question: What products are included in the X Bundle?

Answer: The X Bundle includes a full month supply of the following products.

- Lean Vanilla
- Xyng
- Accelerate
- Trimstix Fruit Punch
- Resist
- Flush

Question: What is the price and PV of the X Bundle?

Answer: The X Bundle has a wholesale price of \$279.00 USD in the US, and \$354.00 CAD in Canada.

Question: Is the X Bundle discounted?

Answer: Yes, the X Bundle has a savings of over \$40.00 USD, and over \$50.00 CAD.

Question: What markets can purchase the X Bundle?

Answer: The US, US territories, and Canada can purchase the X Bundle.

Question: When should I take each product included in the X Bundle?

Answer: We recommend you follow the timeline below for best results.

1. Lean shake for breakfast
2. Xyng mid-morning with a snack

3. Accelerate with lunch
4. Trimstix after lunch
5. Resist immediately before dinner
6. Flush before bed

Question: Is the X Bundle available on subscription?

Answer: Yes, the X Bundle is available on enrollment, standard and subscription orders.

Question: Can I switch out flavors of Lean and Trimstix?

Answer: Currently the X Bundle does not allow for flavor selection. Lean Vanilla and Trimstix Fruit Punch are currently included in the X Bundle.

Question: Why was Lean Vanilla chosen for the X Bundle?

Answer: Lean Vanilla is included in the majority of weight loss systems including Core and Ignite. Lean Vanilla was selected to stay cohesive with our current systems.

Question: Does the X Bundle include any training materials?

Answer: Yes, the X Bundle will come with a printed timeline card. This card also includes a QR Code and link to the X Bundle resource page [xyngular.com/xbundle](http://xyngular.com/xbundle).

Question: Does the X Bundle include Xander?

Answer: No, the X Bundle does not include Xander.

Question: Will Xander coach on the X Bundle?

Answer: Xander does not specifically coach on the X Bundle, however you can subscribe to Xander for general product support for \$5 USD per month.

Question: Can I purchase the products in the X Bundle individually?

Answer: Yes, you are able to purchase each product in the X Bundle individually. However, when purchased separately you will not get the discounted price of the X Bundle.

Question: Should I use Flush every day for 30 days?

Answer: Flush is not intended for daily use. We encourage individuals to use Flush everyday for their 8-Day Jumpstart, and then use as directed on the label for best results.

Question: What meal plan should I used with the X Bundle?

Answer: You should follow the outline for an 8-Day Jumpstart, as seen at [xyngular.com/jumpstart](http://xyngular.com/jumpstart).

Question: What should I do after I finish the X Bundle?

Answer: After you have finished the X Bundle you should start a Xyngular subscription to stay on track with your goals. You'll be out of Trimstix, Lean, Resist and Accelerate, so make sure to reorder.
